A new screen has been ordered and will be fitted once it arrives. The new Prayer Space will be erected soon. Barbara Clark

Children And Families Worker

The search for a new Children and Families Worker continues. Anna Blinston has now finished as a temporary leader of Toddlers, Baby Chat and Tiddlywinks and Susie Metcalfe has taken over this role.

Last term Rev Philip Peacock continued to go into the schools with which we have most links (Lane End Primary, Greenbank and Ramillies Hall) to lead assemblies etc. covering this aspect of the C&FW's work. Jo Fletcher (Bramhall's C&FW) also co-ordinated some input into Ramillies Hall when Philip was not available.

This term, Philip expects to be invited into the schools again. If you are interested in going along with him to represent CHMC and see this aspect of its outreach then please let him know. It may be that you could help too in some way (should you wish to do so).

I just want to let people know there are now 2 **defibrillators locally**. One is in the reception area at Lane End School and the other has been donated by Millie's Trust and is outside the new Equity building. Emma

Apologies for any confusion caused by the mistake in the magazine regarding Communion last week.

Christian Aid

If you are able to help with the Christian Aid week deliveries or collection (May 12-22) please go to the Christian Aid table in the Narthex today.

We are a team of researchers from a major academic university in the U.S. and we will be traveling to Manchester during the first 2 weeks of June to interview religious leaders and families as part of our **Families, Freedom & Faith Project**. In this study we will be looking at how social trends are affecting religious freedom and tolerance, and how faith strengthens families. Our website, www.ukfamilies.byu.edu, provides a comprehensive explanation of our study. If you would like to volunteer to interview with our team, we invite you to email us now at ukfamiliesresearch@byu.edu. More info on the general church notice board. They are particularly looking for family response.
