Living in 3D

Are you a Baby Boomer – born between 1946 and 1964? Then L3D is for you, Saturday 11th October at Emmanuel, Salford. More details on the district web-site.

What are the issues that Baby Boomers face? Children left home and empty nest syndrome? Grandchildren miles away from you, or children’s marriage on the rocks far from home? Responsibility for elderly parents? The last generation to be more wealthy than their parents?... What does the Church have to say that might help with these and other Baby Boomer issues? This day conference will help to address some of the issues in ways that are real for us and that speak to a generation that has often moved away from Church.

If you want to come please let Angela Doyle, at the District Office, know before 5th October so that we can order your free lunch!
