Access during building work – FOR SAFETY

The refurbishment of the lounge and room 6 will be starting on Monday 21st July. Please be aware the back corridor will be sealed off and no one must enter this area. The kitchen and toilets will be accessible via the door off the Narthex near the car park entrance and the car park door is the fire exit for the kitchen and toilet area. The kitchen hatch opposite the hall will be usable but the hatch opposite the lounge must not be opened, this will be sealed. Please keep an eye on children in your care to make sure they do not attempt to enter this area. Please also make sure they are accompanied when they go to the toilet. Thank you for your help in this matter.

Bottle tops

Thank you to everyone for such a wonderful response to the plastic bottle top collection. There is a slight alteration to the collection – just **milk bottle tops** in future ie: blue, green and red – full cream, semi skimmed and skimmed milk bottle tops

Apologies

To the families mentioned in the magazine whose babies were baptised last year and I have put them in again!
