Notices for Sunday 10th September 2017

A prayer in preparation for worship

Thank you for the gift of those we love and care for.
When demands are placed upon us, fill us with your love.
When our patience is stretched, fill us with your love.
When we struggle to understand, fill us with your love.
When we perform menial tasks unseen, fill us with your love.
When we can only watch and pray, fill us with your love.
May we love those you give us, as Jesus loves us. Amen.

Proposed new Boaz Trust Women's Night Shelter

Rev Steve Hough recently came to a morning service to talk about Stockport Baptist Church's work with refugees and asylum seekers. As part of this he mentioned that Stockport Baptist Church have committed to hosting a Thursday night shelter from October to April. Debs Marks-Lenton from the Boaz Trust has explained how the night shelter would operate : The women (up to a maximum of 12) would be picked up from from the Methodist Central Hall in Manchester and transported to Stockport Baptist Church where there would be a team of 3/4 people to welcome them and make them a hot meal. Then a team of 2/3 people (women) would need to sleep overnight and provide a simple breakfast for the women before they would leave to go back to Manchester the following morning (probably by bus).

Several churches have expressed an interest in supplying a team or part of a team to help with this and Steve asked if there were any people from our church (especially women) who might be ready to volunteer.

Some people have said that they would at least like to find out more. Steve needs to confirm numbers of potential helpers and arrange a meeting to discuss it in more detail.

If you would like to express an interest please let Steve know (revsrhough@gmail.com) and please copy your response to Jenni The Boaz Trust are also hosting a couple of volunteer training days for teams in September (9th or 23rd, 10am-3pm, at Ivy Church, 97 Barlow Moor Road, Manchester, M20 2GP).

Important information about Room use at Cheadle Hulme Methodist

Fire Safety

1. The fire exits in Room 6, Lounge, and Hall are for emergency purposes only. They must not be used for normal entrance and exit.
2. All leaders of groups should make themselves aware of the position of fire exits and extinguishers. They should pass this information to their members.
3. Vehicles should not be parked anywhere except the marked parking bays. This is to ensure full access for emergency vehicles. Note - the bay in front of the church, is for loading and unloading only.

Security

Checks must be made on all windows and fire doors at the end of a session. Particularly during the winter terms, it is important to check behind closed curtains. Our insurance will not cover us if anyone gains access through an insecure entrance
