## Welcome to Worship Notices for Sunday 1st November

### **A Prayer as we come to worship**

*O love most powerful strengthen me, O love most sweet let me taste your goodness. O love most dear let me live for you alone. O love most faithful comfort and support me. O love most victorious persevere with me to the end; for your own name's sake Amen*

Please pray for those leading our worship today and this coming week (see back of notices)

and also for David James leading morning worship at Bramhall and Bob Bartindale at Centre Point Bramhall in the evening

If you would like someone to pray with you after the service there will be a member of the Prayer Team in the Prayer Space at the back of church.

### **Please continue to pray for the Horizons Project**

We are now well into the work on Phase 2. Thank you for your patience with the disruption of access to the church and room availability.

**We are struggling in the church office!** Please could you keep requests and drop in calls to a minimum during this time?

Please also pray for the planning work which is now taking place for Phase 3.

## **Baptism**

There will be a baptism today after the morning service (Nov 1st) at 11.45 am for Jemima Goss. If anyone is able to stay and be part of the service to celebrate Jemima joining our church family they are more than welcome. If you are unable to stay, we ask that if possible the noise in the Narthex is kept to a minimum between 11.45 am and 12.15 pm. Thank you.

**Advent and Christmas Bookstall**, which will include Christmas Cards, will be available on Sunday mornings from October 25th until December 5th. Advent items will be available but only until 15th November.

He's the Team Leader for World Church Relationships and as well as preaching will give a short talk in Room 2 from 12 o' clock. Please come and hear what should be an interesting talk about the work of Methodism through the World. There will also be a Q & A session at the end of the talk.

**Crib Festival** We are holding a Crib Festival in church for the local schools during the week beginning 30<sup>th</sup> Nov, with an Open Morning on Sat 5<sup>th</sup> Dec. If you would like to be included in any way, stewarding, making refreshments, setting up etc. and especially if you have a nativity set you are willing to loan, please can you speak to Emma.

**Boats, Tents and Water Bottles - The Prayer Vigil for the Refugee Crisis.**

The thought provoking "Reflection Sheets", which were used to help focus our prayers, are now available, along with some photos – as a reminder, or to allow people who were not able to be there to get a glimpse of the event.

They are in folders with the title "**The Journey**" – placed in the Prayer space, but intended to be taken away, perhaps for a few days, to help us as we continue to pray.

It was really helpful to have an actual boat, tent and so on – many, many thanks to the people who were able to lend them.

## **The Syrian Refugee Crisis.**

*Are you already involved in supporting Refugees and Asylum Seekers? Are you or your Church seeking to support Refugees fleeing the conflict in Syria?*

*Would you like to get involved, but are not sure how to?*

Then please come along to a Manchester and Stockport Methodist District Refugee Support Meeting. Thursday 12<sup>th</sup> November. 10.00am

Lawton Moor Methodist Church, Button Lane, Manchester, M23 0ND

Please come along to share in best practice, to help co-ordinate support across the District, and discover practical ideas to help encourage your Churches to further action.

## **Carbon Offset Fund**

In Feb 2009 it was agreed to set up a 'Carbon Offset Fund' to enable those who wish to 'offset' their carbon emissions incurred through travel to do so at church. The fund is used to support projects which are set out in CHMC's 10-year plan aimed at reducing the church's carbon footprint; this includes draught exclusion, roof insulation, cavity wall insulation, double glazing and light sensors.

Suggestions for contributing to the fund:-

Air travel outside Europe - £12 per person (one way)

Air travel within Europe - £7 per person (one way)

Car Travel - £3 per thousand miles (per car)

Envelopes are available near the pigeon holes, if you pay tax, you may wish to gift aid your contribution. Thank you, projects already completed are making a big difference to our carbon footprint.

## **Christian Aid:-**

**Baked Alaska Tickets now available from the church office.**

The Riding Lights Theatre Company's performance on Friday 13th, Nov., at 7:30pm at St Andrew's Methodist Church, Wythenshawe.
