Horizons Fundraising events

Can you help?

The Resources Team need volunteers for the following roles.

A person to set the heating each week over the winter period – this involves about 1 hour each week to come in and set the programming for heating for the following week. If you have a new digital programmer at home, and you can set it, then the church ones are very similar! Please speak to David Bailey (Resources Team Leader) or Richard Watson if you would like to have a go at this role.

A person to look after and respond to the emergency property phone – it has been described by one holder as ‘a lovely little quiet phone’! i.e. it doesn’t ring very often! The holders look after the phone on a rota basis for two weeks at a time, if someone is hiring a room and finds a problem they can ring the emergency phone and receive advice or help from the person on the other end. We have stand by contacts so, if the phone holder is not able to come down to church, if that is what is required, other people can be contacted for assistance. Please speak to David Bailey or Maggie Thompson if you would like to offer help or find out a bit more about the role.

People to come onto the Resources team that have an interest in the up keep and running of the building. This entails three evening meetings a year and, where possible, offering to assist when property roles require ‘hands-on’ action.

A huge thank you to Bibs and Bobs for their concert last week, they raised £675 for Horizons and provided a very entertaining evening.

Living in 3D

Are you a Baby Boomer – born between 1946 and 1964? Then L3D is for you, Saturday 11th October at Emmanuel, Salford. More details on the district web-site.

What are the issues that Baby Boomers face? Children left home and empty nest syndrome? Grandchildren miles away from you, or children's marriage on the rocks far from home? Responsibility for elderly parents? The last generation to be more wealthy than their parents?.... What does the Church have to say that might help with these and other Baby Boomer issues? This day conference will help to address some of the issues in ways that are real for us and that speak to a generation that has often moved away from Church.

If you want to come please let Angela Doyle, at the District Office, know before 5th October so that we can order your free lunch! Tel: 0161 226 2702
