Starting on 1st February we're trying something new... "Taste" will be an informal service on the first and third Sundays of the month, running alongside our existing morning worship. It's a service for everyone, not only families and children, and not just grown-ups. Including videos, songs, discussions and maybe the odd silly game, Taste will be an interactive, relaxed, challenging and exciting opportunity to explore God's word and worship together. Join us from 9:30am for drinks and toast, and we'll start the service at around 10am, lasting for about 45 minutes.

In Feb 2009 it was agreed to set up a 'Carbon Offset Fund' to enable those who wish to 'offset' their carbon emissions incurred through travel to do so at church. The fund is used to support projects which are set out in CHMC's 10-year plan aimed at reducing the church's carbon footprint; this includes draught exclusion, roof insulation, cavity wall insulation, double glazing and light sensors.

Suggestions for contributing to the fund:-

Air travel outside Europe - £12 per person (one way)

Air travel within Europe - £7 per person (one way)

Car Travel - £3 per thousand miles (per car)

Envelopes are available near the pigeon holes, if you pay tax, you may wish to gift aid your contribution. Thank you, projects already completed are making a big difference to our carbon footprint.
