Hopefully your mini toilets are overflowing so please empty them in the toilet/ bucket in the Narthex ready for counting. Feel free to carry on collecting as our aim is to twin at least the same number of toilets as we have at CHMC. If you haven't got a mini toilet and would like to start collecting then please see any member of Great Heights. Phil, Jacqui, Malcolm, Oliver, Peter and Gideon.

Horizons Project - As you will have seen, the Horizons Project has taken another step forward! The office windows have been replaced with lovely, draft free ones. The cross is being refurbished and the lights for the cross and the sign on the church wall have been fitted. Please be patient whilst we get the lighting perfect and sort out the office storage. A new sign on the church wall will be put up once wording has been agreed. It is an ongoing project over several weeks, but it is all in hand.

Notices Announced in Church A reminder to please make use of the weekly notice sheet and magazine to publish your notices. If you have anything particularly urgent to announce which isn't in the written notices please hand it in brief written form to one of the vestry stewards by 9.45am. The vestry steward will consider announcing this at the beginning of the service. This should improve the flow of our worship and cut down on long and/or duplicate notices. Thank you.

Safety in the car park Please could we remind all users of the car park that we operate a one way system, the entrance being on Ramillies Avenue This was put in place after several near accidents in the car park, but sadly we have noticed an increase in drivers coming in from the Blenheim Road exit rather than going round the corner to the entrance. Please remember, if you cause an accident in this way, you are liable.

Carbon Offset Fund

In Feb 2009 it was agreed to set up a 'Carbon Offset Fund' to enable those who wish to 'offset' their carbon emissions incurred through travel to do so at church. The fund is used to support projects which are set out in CHMC's 10-year plan aimed at reducing the church's carbon footprint; this includes draught exclusion, roof insulation, cavity wall insulation, double glazing and light sensors.

Suggestions for contributing to the fund:-

Air travel outside Europe - £12 per person (one way)

Air travel within Europe - £7 per person (one way)

Car Travel - £3 per thousand miles (per car)

Envelopes are available near the pigeon holes, if you pay tax, you may wish to gift aid your contribution. Thank you, projects already completed are making a big difference to our carbon footprint.
