Worship at Cheadle Hulme Methodist Church

The church building is **open again for public worship**. Please check the weekly notices, CHMC Facebook page and website for details of services. Most services will take place in the church building and on Zoom. They will be available on CHMC's YouTube channel afterwards. (An audio version will go on the CHMC website.) Worship materials will continue to be sent out weekly.

It has been decided not to have any Communion services yet. This will be reviewed periodically by the CHMC Executive Team.

Worship in the church building

Please remember to use hand sanitiser on entry, fill in the Test and Trace sheet, wear a facemask (exemptions apply), observe social distancing and follow the one way system within the church. Stewards will be on hand to help and guide.

Rev'd Philip Peacock's sabbatical

Philip is now on sabbatical until 20th June. Any pastoral matters should be referred to Rev'd Louise Gough. Details about the cover arrangements are in the March magazine.

Praying 'Together' at CHMC

Our next monthly Church Prayer Morning is planned for **Saturday 8th May**. Praying for the life and work of this Church, as we seek to share God's Good News in our Community. Praying for one another, and for guidance, in the confidence that "God is with us".

We will not be in the Church building, but information will be sent out as usual, in time for us to "pray together" at home.

When entering church

When entering church, please remember the social distancing rule of a 2 metre gap. The distancing markers have had to be abandoned as they seem to be an attraction for unwanted attention, by some locals who have been pulling them up and sticking them across the doors! As we gradually ease the restrictions, social distancing will still be needed to avoid Covid-19 transmission, until we get government approval to stop this

Notices — contact details

If you include your personal contact details in any item for the church notices, then it will be assumed that you are giving consent for these to be included in paper copies of the notices, which will be in the public domain.

It will be used to draw attention to climate change issues, with a new poster each month, leading up to the COP26 Climate Conference in November.
